ADVANCING SCIENTIFIC KNOWLEDGE THROUGH COLLABORATION

The First International Scientific Conference of the University of Baghdad, College of Science (ISCCS 2026), will be held on **October 13-15, 2026**, at the University of Baghdad, College of Science, Baghdad, Iraq. This premier event serves as a dynamic platform for researchers, academicians, and professionals from Iraq and around the world to exchange knowledge, showcase the latest scientific advancements, and foster interdisciplinary collaboration.

The conference aims to promote interdisciplinary collaboration across various fields, fostering innovative solutions to local and global challenges. We invite high-quality submissions from researchers, scholars, and industry experts to present and discuss recent innovations, research findings, and practical applications across diverse scientific disciplines.

CONFERENCE AIM

To advance scientific knowledge and foster collaboration among researchers, scholars, and industry experts by providing a dynamic forum to present and discuss recent innovations, research findings, and practical applications across diverse scientific disciplines.

CONFERENCE HIGHLIGHTS

ORAL & POSTER PRESENTATIONS

Showcase your research through engaging oral talks and interactive poster sessions

HYBRID PARTICIPATION

Join us in-person in Baghdad or participate online from anywhere in the world

PEER-REVIEWED PROCEEDINGS

All accepted papers will be published in peer-reviewed conference proceedings

NETWORKING OPPORTUNITIES

Connect with leading researchers and establish valuable collaborations

BEST STUDENT AWARDS

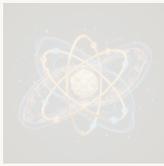

Recognition and awards for outstanding student presentations

INTERNATIONAL PLATFORM

Global exposure for your research with participants from multiple countries

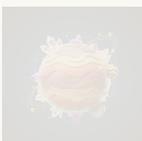

SCIENTIFIC DISCIPLINES

We invite high-quality submissions related to the following scientific disciplines. The conference welcomes research contributions from, but not limited to, the following topics:

 Chemistry	 Biology	 Physics
 Geology	 Computer Science	 Astronomy & Space
 Biotechnology	 Mathematics	 Remote Sensing & GIS

CONFERENCE OBJECTIVES

- 1** To highlight cutting-edge research and emerging technologies across scientific fields.
- 2** To promote interdisciplinary collaboration and knowledge exchange among scientists and researchers from Iraq and abroad.
- 3** To encourage postgraduate students and early-career researchers to present their work and receive constructive feedback.
- 4** To strengthen the link between academic research and societal needs through applied and innovative scientific approaches.
- 5** To establish sustainable partnerships between universities, research centers, and industries.

KEY DATES & DEADLINES

All deadlines are **11:59 PM Iraq Time (UTC+3)**. Please ensure your submissions are completed before the respective deadlines.

- MARCH 1, 2026**
Full Paper Submission Opens
Start submitting your research papers through the online submission system.
- MAY 15, 2026**
Full Paper Submission Deadline
Final date for submitting full papers for peer review.
- BEFORE CONFERENCE DATE**
Notification of Acceptance
All accepted papers will be informed before the conference dates.

Note: Early submission is encouraged. The organizing committee reserves the right to extend deadlines if necessary. Any changes will be announced on the conference website.

DISTINGUISHED EXPERTS

The conference will feature renowned experts sharing their knowledge and insights across various scientific disciplines.

**PROF. DR. FIRAS
GHANIM AHMED**

KEYNOTE SPEAKER

Department of Mathematics
University of Sharjah, UAE

**PROF. DR. WAFAA
MAHROUS AMER**

KEYNOTE SPEAKER

Faculty of Science
Cairo University, Egypt

**PROF. DR. RAED F.
HASSAN**

**CONFERENCE
SUPERVISOR**

Dean of College of Science
University of Baghdad, Iraq

MORE SPEAKERS COMING SOON

The conference will feature additional keynote speakers and session chairs from leading institutions around the world. Stay tuned for updates on our website.
